FUDGE SUNDAE SAUCE

Rich, dark, and thick—and a good keep-on-hand for ice cream

Makes about 1 cup

1 cup instant cocoa mix
½ cup cream for whipping
3 tablespoons light corn syrup

1. Blend cocoa mix with cream and corn syrup in a medium-size saucepan; heat slowly, stirring constantly, just to boiling; remove from heat and let cool.
2. Serve warm or cold over ice cream, plain cake squares, or vanilla pudding or custard. (Store any leftover sauce in a tightly covered jar in the refrigerator.)
